

# Lunch, Early Dinner, Sunset Dinner and Sunday Brunch Cruises and New Private Party Charters

## Lobster Roll Cruises from Sesuit Harbor in East Dennis Offers Spectacular Sightseeing and Award-Winning Dining

Lobster Roll Cruises are now operating daily with cruises on Cape Cod Bay.

Specifically designed for dining and sightseeing, the Lobster Roll offers cruises on Cape Cod Bay from Sesuit Harbor, located on Sesuit Neck Road, in East Dennis.

The boat was built in 2007 with the idea of creating a dining and cruising vessel that was designed around the comfort and pleasure of the passengers.

### OPEN AND CLOSED AREAS

How do you provide the nice open air experience that some passengers want, while still providing climate controlled comfort in case of hot or cold weather?

The Lobster Roll solves this problem by having not one, but two decks. The upper deck is open. The lower deck is closed and climate controlled (but has large viewing windows). Passengers can choose one or the other or move between the two of them.

### AFFORDABLE PRIVATE PARTY CHARTERS

Private party charters are the hot new thing at the Lobster Roll Cruises.

The Lobster Roll offers an affordable alternative to private parties for all occasions.

"Call now to reserve your own private party, such as a birthday, anniversary, wedding or rehearsal dinner, company outing, reunions, fund raiser, memorial service or graduations," suggests Captain Dan Schadt. "It's a great way to show your family and loved ones Cape Cod Bay!"

Recent guest Jan from Chatham says, "It was great! My family and the other couple we sat with loved it! The staff was excellent, friendly and attentive ... the food was plentiful. The boat was spotless as far as cleanliness goes, so thumbs up!"

### LUNCH, EARLY DINNER, SUNSET DINNER & SUNDAY BRUNCH CRUISES

Lobster Roll Cruises offers four different kinds of cruises: the Lunch Cruise, the Early Dinner Cruise, the Sunset Dinner Cruise and the Sunday Brunch Cruise.

The Sunday Brunch Cruise is new this year. It is an all-you-can-eat buffet featuring hand cut seasonal fruits, assorted danish and bagels with cream cheese, scrambled eggs, seasoned homefries, bacon and sausage, Belgian waffles, a carving station with honey pit ham, coffee, tea, juice and "all the mimosas you can drink."

The brunch cruise departs every Sunday, boarding at 9:30am and cruising from 10:00am to 11:15am. (\$26.00 per person includes mimosas).

The lunch menu features a choice of Lobster Roll (made from fresh native lobster), Roast Beef Rollup (Black Angusprime rib piled high in whole wheat lavash), Vegetarian Rollup, (a fresh medley of vegetables and tomatoes in whole wheat lavash) or Chicken Caesar Salad (marinated grilled chicken atop crisp romaine).

The dinner menu offers a choice of Overstuffed Lobster Roll (made with fresh, native lobster); Lobster Dinner, (1 1/4 lb. steamed fresh native lobster); Black Angus Prime Rib (slow roasted, handcut Black Angus) or Chicken Caesar Salad (made from marinated grilled chicken breast). There is a children's menu offered, as well.

There is a full bar on both the upper and lower decks, serving cocktails, beer, wine and their signature Piña Colodas.

The Lunch Cruise costs \$27.00 (\$15.00 boat ride only). The Early Dinner cruise is \$39.00 (\$20.00 boat ride only) and the Sunset Cruise costs \$42.00, plus tax and tip.

Reservations are strongly recommended. Parking is arranged in a designated free area at the Town of Dennis Municipal Marina/ Lobster Roll Cruises designated lot only.

**PRIVATE PARTY CHARTERS** – Specifically designed for sightseeing and dining, the Lobster Roll has an open upper deck with a center bar for maximum enjoyment of the scenery. Private party charters are a popular new feature this year. They can include birthday parties, anniversary, wedding or rehearsal dinners, company outings, graduations or fund raisers. "Come party with us," says Captain Dan Schadt. "It's a great way to enjoy Cape Cod Bay"

**CLIMATE CONTROLLED LOWER DECK** – Passengers on the Lobster Roll are pictured while dining in the enclosed lower deck. Because the lower deck is heated and air conditioned as needed, passengers can have a comfortable voyage no matter how hot or cold the weather is. The large viewing windows assure panoramic sea vistas.

**HAPPY HOUR** – It's always happy hour at the upper deck bar as well as the lower deck bar on the Lobster Roll. Pictured behind the lower deck bar with happy faces are J.C. Cuchetti (left) and Jake Nardini of Sesuit Harbor Cafe, who are providing the food for the lunch and dinner cruises. The Lobster Roll serves cocktails, wine, beer and their signature Piña Colada.

### THE LOBSTER ROLL –

"A sandwich so famous, they named a boat after it," says Captain Dan Schadt, speaking of the Lobster Roll, the newest dining and sightseeing vessel on Cape Cod. "You see the Cape in a whole new way, in a relaxed atmosphere." They are open daily offering Lunch, Early Dinner and Sunset Dinner Cruises out of Sesuit Harbor in East Dennis. New this year is the Sunday Brunch Cruise, featuring an all-you-can-eat breakfast buffet, departing every Sunday morning at 10:00am (boarding at 9:30am). The Lobster Roll is a 58 foot, custom vessel built with safety and comfort in mind. The boat meets all U.S. Coast Guard safety requirements with seating for 75, an air conditioned main cabin and a spacious upper deck that allows for spectacular sightseeing. The professionally designed galley serves lunch and dinner daily, as well as offering private catered functions. Private party charters are a hot new feature at the Lobster Roll Cruises this year.
